

Agricultural Policy Forum 2026

***Agricultural Policy Coherence in South-East Europe: EU Integration Dynamics,
Institutional Reforms and Climate Adaptation***

Climate Change Adaptation in Wine and Viticulture sector

presented by Lutz van Elk,

German Federal Ministry of Agriculture, Food and Regional Identity

With support from

by decision of the
German Bundestag

GLOBAL FORUM FOR FOOD AND AGRICULTURE _____

GFFA 2026: Final communiqué adopted

With support from

by decision of the
 German Bundestag

climate change adaptation in viticulture and the wine sector

in 15 minutes

part I: viticulture and pesticides

part II: wine and water

part III: images and illusions

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

by decision of the
German Bundestag

climate change adaptation in viticulture and the wine sector

part I

The use of pesticides in viticulture is —and **remains**— challenging.

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

by decision of the
German Bundestag

climate change adaptation in viticulture and the wine sector

part II

The meaning of the word
"wine" has changed and could
be **diluted**.

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

by decision of the
German Bundestag

climate change adaptation in viticulture and the wine sector

part III

Let me give you an **image**
and strip you of an **illusion**.

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

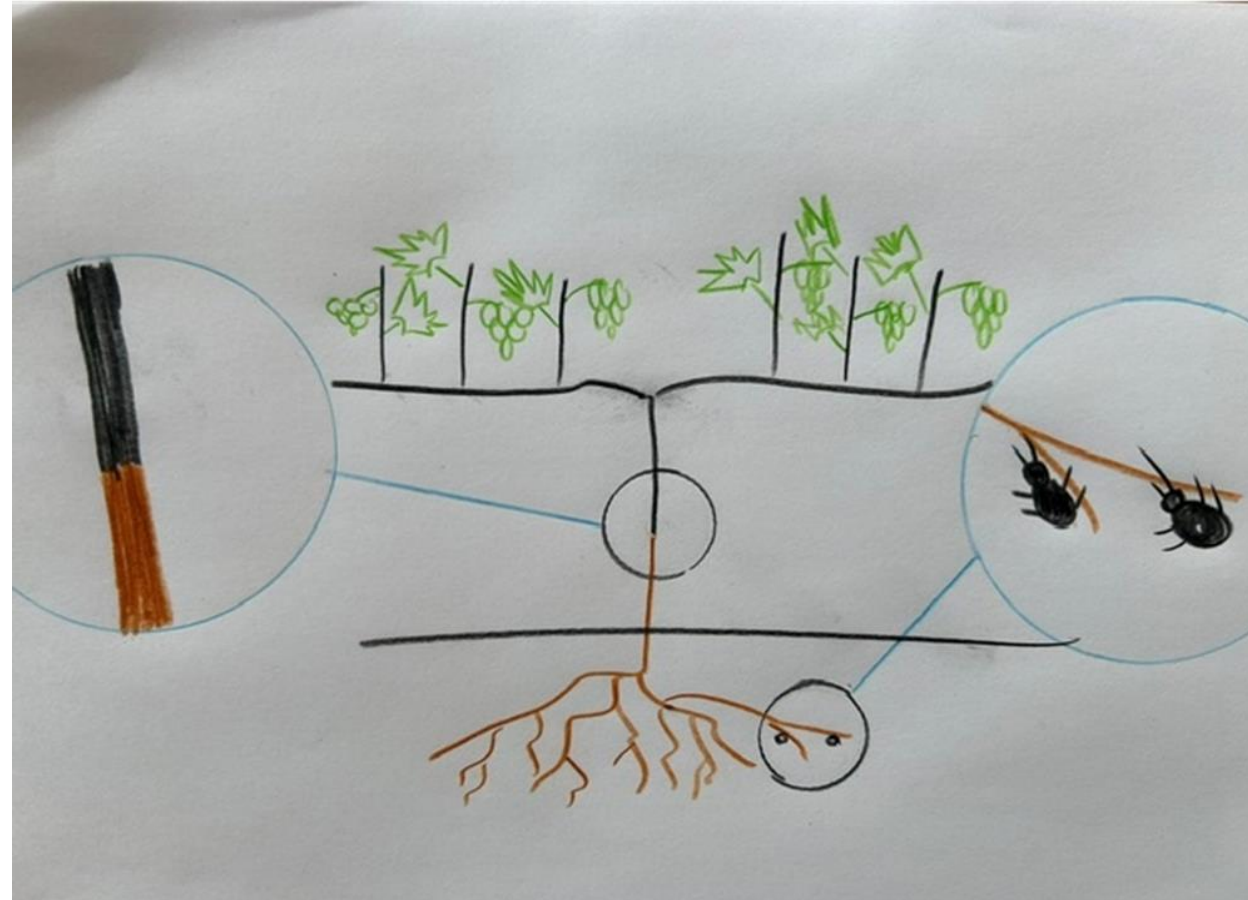

by decision of the
German Bundestag

climate change adaptation in viticulture and the wine sector

image

climate change adaptation in viticulture and the wine sector

illusion

Wine contains ethanol

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

by decision of the
German Bundestag

climate change adaptation in viticulture and the wine sector

recommendation

Informed decisions to adapt
to climate and other changes.

With support from

Federal Ministry
of Agriculture, Food
and Regional Identity

by decision of the
German Bundestag

Thank you for your attention!
